

Mother's Day Cones

Projects created by Alex Paige Palmer and Amanda Williams, ©2010

Welcome to crafting GREEN!

All the products used to create these Mother's Day cones are eco-friendly. The Glass Glintz embellishments are made from recycled glass, and the tacky Green Glue is completely botanical. Even the inks and paints contain no or low VOC's (volatile organic compounds). These products make a difference—for the earth, for the workers that produce them, and for the artists and crafters that use them. We are proud to present this project and it reflects our company-wide commitment to living "GREEN".

MATERIALS

- EGC Acrylic Paints
- EGC Dreamboats Digital Kit
- Paper bag
- EGC Gloss Medium
- Ribbon and Feather Boa
- EGC Green Glue
- EGC Glass Glintz™
- Grommets

DIRECTIONS

1. Cut cone pattern from paper bag, referring to downloaded PDF template.
2. Paint paper as desired.
3. Adhere images using gloss medium.
4. Brush entire surface with gloss medium.
5. Adhere embellishments—Glass Glintz™, ribbon, boa, etc.
6. Form the cone and glue edge.
7. Attach grommets to both sides of the top of the cone. Cut ribbon to desired length, insert through grommets on the outside of the cone, and knot the end inside the cone.
